Re: Covid-19 ARPA H2O PA Water Supply, Sanitary Sewer, and Storm Water Projects, Fairview St Water Main Replacement Project, Mount Joy Borough Authority

Dear Planning Commission,

The Mount Joy Borough Authority would like to thank you for your support letter dated December 5, 2022, for the replacement of a water main on Fairview Street. I am pleased to share with you that the PA Department of Community and Economic Development has accepted our request and has committed \$825,955.00 towards the completion of this project. At this time, surveying and design of the project is underway and we are hopeful to have the project ready for bidding in the fall of 2024, with the anticipation of construction starting in the spring of 2025.

Should you have any questions regarding the project, please feel free to contact me.

Thank You,
