

Resident Disposal Checklist

1

Determine the material type, so you know where to take it:

- Recycling:** We accept the Big 4 at our drop-off containers, which includes 1) corrugated cardboard, 2) plastics with necks, 3) metal food and beverage cans, and 4) glass bottles and jars. Any illegal dumping will be prosecuted.
- Household Hazardous Waste (HHW):** We accept household chemicals, batteries, televisions, computers, and related items **ONLY** at our HHW Facility. Please visit our website for a complete list of materials.
- Trash:** We accept all forms of household trash, large items, appliances, and tires. See the list below for special instructions related to certain types of waste.

2

Determine if you have waste that needs special handling:

- Household Hazardous Waste (HHW) materials, including televisions and computers, must be taken to the HHW Facility on Harrisburg Pike in Lancaster.
- Asbestos must be delivered directly to the Frey Farm Landfill. Please contact LCSWMA to make arrangements for delivery and disposal.
- Yard Waste is only accepted at the Frey Farm Landfill in Conestoga.
- Sharps must be stored in container (ex: Safe Clip or detergent bottle) and sealed to protect workers. Dispose in your regular trash.

3

Determine which site to deliver the material:

All LCSWMA facilities accept recycling, trash, remodeling/construction material, appliances, tires, and large items.

Other considerations

- Have you verified the operating hours?** Each facility offers different hours. Additionally, due to large projects and holidays, times may vary, so it's important to confirm ahead of your visit (717-397-9968 or www.lcswma.org).
- Do you have proper payment ready?** We accept **ONLY** credit cards and prepaid cards, not cash or checks.
- Is your truck or trailer tarped?**
- Are you prepared to unload your material?**
- Are you wearing proper footwear and attire to unload your material?** We recommend closed toed shoes and proper clothing to protect yourself during the unloading process.
