January 4, 2023

To: Mt. Joy Township Board of Supervisors  
From: Daniel Ford- Code Compliance Official / Assistant Zoning Officer  
Re: Monthly Report for December 2022

Dear Board Members:

12 rental properties were inspected in December

Produced and mailed 168 Rental licenses for next year.

Complaints and concerns:

- Phone calls to owner of Campus View Apt about a unit with no heat.
- Letter to 1046 Old Elizabethtown Rd about a pile of tires in the yard.
- Mailed letters to rental owners that could not be reached to obtain a 2023 rental license.
- Tracked down 3 residents when their trash bill came back unclaimed.
- Letter to 2192 Cloverleaf Owner about not licensing one of his apartments in 2023 until it is brought up to code.

Completed final zoning inspections for building permits.

## PUBLIC WORKS DEPARTMENT DEC 22/JAN 23

### COMPLETED:

- Couple salt and cinder runs
- Fixed snow fence after high winds
- Called out for wires and trees on roads for closures
- Potholes
- Started equip and vehicle services
- Hauled compost in and mixed it with topsoil
- Repaired some signs and installed some new
- Monitored new pipe Mr. Quickle had installed and it worked great. Mr. Mulholum is getting his installed soon as well

### FUTURE:

- Continue shoulder restoration on Harvest
- Continue equip and vehicle services
- Install new signs on Mount Pleasant
- Pipe markers

## Minutes of a Rescheduled Regular Meeting of the Mount Joy Township Planning Commission Held on December 5, 2022

1. Michael McKinne called the meeting to order at 7:00 p.m. in the Elizabethtown Area School District Middle School Auditorium, 600 East High Street, Elizabethtown, PA 17022.

2. Pledge of Allegiance

3. Roll call of the Planning Commission Members:

Kevin Baker — Present  
Rodney Boll — Present  
Gerald Cole — Present  
John Dice — Absent

Michael McKinne — Present  
Arlen Mummau — Present  
Delmar Oberholtzer — Present

Other Township Representatives Present: Justin S. Evans, Township Manager/Zoning Officer

4. Public Comment:

Ben Dunlap, resident at 110 Meadowbrook Lane, read a statement on behalf of multiple households on Meadowbrook Lane regarding the Bear Creek Estates residential development proposed to the east of their neighborhood. He was unhappy with the plan approval process, detailing multiple public meetings and Township staff review letters. The major issue relates to proposed connections or waivers of connections to Meadowbrook Lane and East College Avenue. Recommendations for redesigning the road network were offered.

5. Consent Calendar:

a. Approve and ratify the minutes of the October 24, 2022 meeting

A motion was made by Gerald Cole and seconded by Kevin Baker to approve the consent calendar. All members present voted in favor of the motion.

6. Old Business: NONE

7. New Business:

a. Review of Proposed Ordinance to Amend the Township Zoning Ordinance (Pennmark) – Proposal to rezone approximately 55.4 acres generally located at the northeast corner of Cloverleaf Road and West Main Street (Route 230) to the C-2 – General Commercial District. The subject properties are currently zoned a mix of C-1 – Limited Commercial District and A – Agricultural District. Text amendments to the Zoning Ordinance are also proposed.

Representatives of Pennmark Management Company included Attorney Craig Edwards, Bob Sichelstiel, and Justin Bartholomew. Traffic engineer Greg Creasy of Grove Miller Engineering was present as was Todd Smeigh of DC Gohn Associates.

Mr. Edwards presented an overview of the proposed shopping center development on the subject site, which requires C-2 zoning to move forward with. Through a series of exhibits he demonstrated the history of Pennmark's acquisition of properties comprising the subject site, traffic improvements such as the extension of Norlanco Drive, and local planning documents accounting for commercial development in that location. Pennmark is working with Tyson Foods to purchase part of the hatchery property and connect it to the site. The Tyson subdivision is the subject of an open variance application before the Zoning Hearing Board. He noted that the site will no longer be farmed regardless of this meeting's outcome.

Multiple leases are in place for various spaces within the proposed development. Rezoning the entire site, not just a portion of the site, is necessary to support the financial viability of the project. Costs attributed to earthwork, infrastructure, and offsite traffic improvements require the ability to develop the full shopping center. Mr. Sichelstiel discussed the Township's Act 209 plan, specifically the \$3 million in fees that will be paid to the Township for offsite improvements. Without those fees the plan cannot be implemented. Property and payroll taxes will also be increased by the shopping center. Mr. Bartholomew provided details on the co-location requirements between the various leases, another reason substantiating their request to rezone the entire site.

The Commission questioned the viability of large-scale retail development in this community, especially after the pandemic and how it further shifted public tendencies for purchasing goods. Redevelopment and infill opportunities are found throughout the Route 230 corridor. Concerns with bringing on hundreds of thousands of square feet of new commercial space conflicts with redevelopment.

Mr. Creasy spoke about how the Act 209 studies are developed and what Pennmark would do to implement it. Additional through lanes along Route 230 at the Cloverleaf Road intersection are proposed by the plan in addition to intersection improvements along the Cloverleaf Road corridor. A traffic study was submitted to PennDOT and the Township for review. Their firm is working on addressing review comments and refining access points to the site.

Members of the public then addressed the applicant and Planning Commission with the following general comments:

- Jimmy Everly, 2347 Andrew Ave. – traffic and light impacts
- Donna Bucher, 680 Cloverleaf Rd. – water runoff and traffic
- Kathi Moyer, 9349 Elizabethtown Rd. – impacts on existing businesses
- Randy Stevens, 2541 Mount Pleasant Rd. – traffic and outdated comprehensive plan
- Donna Coble, 570 Cassell Rd. – lights and other impacts
- Bill & Hope Wissler, 317 Ridge Run Rd. – impacts on well water, crime
- Vanessa Brubaker, Ridge Run Rd. – loss of agricultural land
- Frederick Good, 1809 Cloverleaf Rd. – property takings for road improvements
- Deb Berger, Homestead Rd. – traffic impacts, no need for large commercial development

A motion was made by Gerald Cole and seconded by Kevin Baker to recommend that the Board of Supervisors not adopt the proposed ordinance. All members present voted in favor of the motion.

- b. Review of Proposed Ordinance to Amend the Township Zoning Ordinance (Panattoni) – Proposal to rezone approximately 281 acres generally located east of Cloverleaf Road and on both sides of Route 283 to the

GI – General Industrial District. The subject properties are currently zoned a mix of LI – Light Industrial District and A – Agricultural District. Text amendments to the Zoning Ordinance are also proposed.

The applicant was represented by Attorney Esch McCombie of McNees Wallace and Nurick, Joe Peters of Panattoni Development Co., Jeremy Bittinger of Landworks, and Jarred Peters of Traffic Planning and Design.

Mr. McCombie gave an overview of the areas subject to the rezoning request as well as the associated proposal to construct four warehouses on three parcels. Traffic improvements at the Cloverleaf Road/Route 283 interchange and the Cloverleaf Road/Schwanger Road intersection generally consist of roundabouts to regulate traffic flow. Reconstruction of the interchange is not realistic due to cost and scope, so alternative improvements like roundabouts are a reasonable way to approach the problem and build capacity. The ordinance amendment proposes the General Industrial District for the development tracts since the Township currently provides a minimal amount of land zoned that way for the landfill. Warehouse uses were stated to generate less traffic than residential or retail development on a comparable area of land.

Mr. Peters provided background on his international development firm and the presence they wish to make in the Township. Mr. Bittinger spoke to the concept plan that the proposed amendments would enable. In addition to designing the sites for construction of the warehouses, his firm considered mitigation of offsite impacts such as light pollution, traffic circulation at and to/from each location, and stormwater management. Mr. Neal recapped congestion planning and mitigation efforts for the Cloverleaf Road corridor over the past two decades. He noted that traffic related to warehouses is typically spread throughout the day and not concentrated in peak hours. Panattoni's plan also includes relocating the informal park and ride located at the eastbound offramp to the northwest corner of the interchange. The Mount Pleasant Road warehouses drive the need to construct a connector road to Steel Way as well as improvements to the Steel Way/Cloverleaf Road intersection.

Mr. McKinne was concerned that the community is not equipped to handle this scale of warehouse development. Other areas like the Lehigh Valley have tailored their land use ordinances to deal with this more modern form of warehousing. Impacts like air pollution, traffic, viewsheds, and rural character are all key issues. Mr. Cole asked how large the buildings are proposed to be. Two will be in the vicinity of 1,000,000 sf. and two will be around 325,000-350,000 sf. Height will be less than 50'. They are speculative buildings at this time.

Mr. Peters spoke to plans for water and sewer extensions. The utility lines will not pass residential structures, so mandatory connection should not be an issue. Fire protection will be provided in some fashion depending on utility availability and capability. 24/7 operation is possible since they will market the warehouse spaces to a variety of users.

Mr. Boll questioned whether close to 3,000,000 sf. under roof is necessary given all of the warehouse construction taking place in the area, including just north of Mount Joy Township along Route 230. Mr. Peters believed all that new adjacent capacity is leased or being negotiated. Mr. Boll then asked if this is an all-or-nothing proposal, to which Mr. Peters responded that he would need to revisit the numbers to properly answer the question. The cost of utilities and transportation improvements require a minimum scale of development to support the upfront investments.

Members of the public addressed the applicant and Planning Commission with the following general comments:

- Matt Giorgio, 2107 Sheri Ln. – traffic conflicts with buggies and tractors

- Butch (?), Carmany Rd. – traffic
- Al Sollenberger, Grandview Rd. – loss of agricultural land, quality of life
- John Patton, Ersa Dr. – traffic impacts to Colebrook Road bridge
- Randy Stevens, 2541 Mount Pleasant Rd. – traffic and outdated comprehensive plan
- Jimmy Everly, Andrew Ave. – large vehicle traffic on Schwanger Road
- Jacqueline Keener, 3074 Mount Pleasant Rd. – traffic
- Robert Ricedorf, 206 Colebrook Rd. – land use conflicts
- Donna Coble, 570 Cassell Rd. – employee shortages in area, loss of agricultural land
- Thomas McKinne, Valley View Rd. – land use conflicts
- Jan Perola, Ridge Rd. – roadway congestion
- Joelle Myers, Mount Pleasant Rd. – loss of agricultural land and open space
- Frederick Good, 1809 Cloverleaf Rd. – impacts to water table and water supply
- Hope Wissler, 317 Ridge Run Rd. – unknown materials in warehouses, public safety

Mr. McKinne noted concerns with the proposed ordinance that would make large warehouses by-right uses instead of having an additional step in the approval process like a special exception. 24/7 operation is also an issue for surrounding residents. He would like to see more sustainability measures in the amendment for buildings that large.

A motion was made by Delmar Oberholtzer and seconded by Arlen Mummau to recommend that the Board of Supervisors not adopt the proposed ordinance. All members present voted in favor of the motion.

8. Initial View: NONE

9. Correspondence: NONE

10. Other Business:

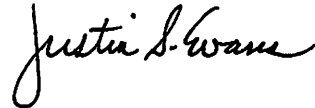

- a. Mount Joy Borough Authority Fairview Street Water Main Replacement – Proposal to replace a failing public water main and install an additional fire hydrant to improve water quality and water volume. MJBA is seeking funding through the PA Department of Community and Economic Development.
- b. Elizabethtown Borough/Elizabethtown Regional Sewer Authority – Proposal to rehabilitate an aging public sewer main (Radio Road Interceptor). Elizabethtown Borough and ERSA are seeking funding through the PA Department of Community and Economic Development.

Mr. Evans gave a brief overview of the applications to be submitted by the two authorities. The proposed system improvements will benefit service areas within Mount Joy Township. A motion was made by Delmar Oberholtzer and seconded by Rodney Boll to issue consistency letters/letters of support for each application. All members present voted in favor of the motion.

11. The next regular meeting of the Mount Joy Township Planning Commission is scheduled to be held on **Wednesday, December 28, 2022** beginning at 7:00 p.m.

12. A motion was made by Gerald Cole and seconded by Kevin Baker to adjourn the meeting at 10:10 p.m. All members present voted in favor of the motion.

Respectfully Submitted,

A handwritten signature in black ink that reads "Justin S. Evans". The signature is written in a cursive style with a large initial 'J'.

Justin S. Evans

## Minutes of the Regular Meeting of the Mount Joy Township Park & Recreation Board Held on December 13, 2022

1. Karen L. Boyer, Chairperson, called the meeting to order at 7:03 P.M. in the Mount Joy Township Fairview Municipal Building at 8853 Elizabethtown Road, Elizabethtown, PA 17022.
2. Roll call: Present – Karen L. Boyer, William Duncan, John L. Felix, Jr. and Adam Reed.  
Absent - Andrew Treese.

Others in attendance – Patricia J. Bailey, Township Secretary, and Justin S. Evans, Township Manager/Zoning Officer.

3. Public Comment: None.
4. Approval and ratification of the minutes of the September 13, 2022 meeting. (The October and November meetings were cancelled):

A motion was made by John L. Felix, Jr. and seconded by Adam Reed to approve the minutes for the June 14, 2022 meeting with the following change: Item 5 Old trolley Line Park – Future Phases, 2<sup>nd</sup> bullet point should read – Rheems Elementary School Sale – could lose fields which includes a multi-purpose field and softball field. All members present voted in favor of the motion.

5. 1376 Campus Road – Park & Rec Fee-in-Lieu:
  - a. Andrew Miller, Director of Land Development with Catalyst, was in attendance to discuss the Park & Recreation Fee-In-Lieu of money required for the property located at 1376 Campus Road. The proposed development includes 2 pools, clubhouses, bocce ball, tot lot, and walking trails. There will also be sidewalks throughout the development. The walking trails will be available to the public with the other amenities being for the residents of the development. The facilities will be maintained by the homeowner's association. Mr. Miller explained Catalyst is requesting a reduction of \$709,500.00 since the development will be constructing the amenities listed above. The amenities would be installed in phases as the development progresses. There was a lengthy discussion on what benefit the proposed amenities will have on the Township since they will be maintained by the HOA. Mr. Felix stated he could see providing a reduction in fee for the cost of the walking trails as the public could use them. Mr. Evans stated the Planning Commission approved the waiver but wanted the Board of Supervisors to decide on the value. The Park and Recreation Board should provide a recommendation.
  - b. A motion was made by Adam Reed and seconded by John L. Felix, Jr. to make a recommendation to the Mount Joy Township Board of Supervisors to allow for a deduction in the payment of Fee-in-Lieu money in the amount of \$157,500 for the construction of walking trails for the future development of the property located at 1376 Campus Road. (Total Fee-in-Lieu due with deduction would be \$669,742.68.) All members present voted in favor of the motion.

Mr. Felix feels with this motion it provides a guide for handling future amenities that support the entire Township and a possible reduction in the amount of Fee-in-Lieu money that is due to the Township.

6. MJT Park, Recreation and Open Space Plan:

Begin the process of updating the MJT Park, Recreation and Open Space Plan.

Information included:

- a. Official Map – Recreational Facilities, Sheet 3 – March 2010. Mr. Evans stated an update of the recreational facilities will take place during the planning process. The goal is to connect trails to parks and commercial businesses. Trails are difficult in the agricultural district as there are no sidewalks to connect with. Ms. Boyer asked if a portion of the Raffensperger property could be shown as a potential park. Mr. Evans said if it is shown on the official map, it gives an advantage to having the dedication of the property.
- b. E-mail from Mike Domin, Park Land Guidelines.
- c. Park and Open Space Components (NRPA).
- d. Census Reporter.

Mr. Evans will pull some more detailed reports; economic reports; projection for growth; numbers of acres needed for parkland acquisition; number of units within the next 10 years. The board feels a survey should be done of Township residents to see what is needed to grow our parks.

Reading through the first 10 pages several adjustments were noted to be made. Ms. Bailey will update and provide copies to the board at a future meeting.

7. Meeting Schedule – 2023

Review of meetings scheduled for 2023.

A motion was made by John L. Felix, Jr. and seconded by Karen L. Boyer to approve the Park & Recreation Board 2023 meeting schedule as presented. All members present voted in favor of the motion.

8. Other Business:

9. Correspondence:

10. The next meeting of the Park and Recreation Board is scheduled to be held on **January 10, 2023** at 7:00 P.M.

11. A motion was made by John L. Felix, Jr. and seconded by Adam Reed to adjourn the meeting at 9:05 P.M. All members present voted in favor of the motion.

Respectfully Submitted,

Patricia J. Bailey, Secretary

**Northwest Regional Lancaster County Police Commission**  
**8855 Elizabethtown Road**  
**Elizabethtown, PA 17022**

**Minutes of the Regular Meeting of the**  
**Northwest Regional Lancaster County Police Commission**  
**Held on November 22, 2022**

1. Debra Dupler called the meeting to order at 7:00 P.M. in the Mount Joy Township Municipal Building, 8853 Elizabethtown Road, Elizabethtown, PA 17022. Debra Dupler led the pledge of allegiance.
2. Roll Call: Present –Debra Dupler, Eric Kreider, Kevin Baker, David W. Sweigart III, Douglas Hottenstein.
3. Public Comment - none
4. Consent Calendar:
  - a. Approval and ratification of the minutes of the October 25, 2022 meeting.
  - b. Accept and ratify the Treasurer’s Report for the period of January 1 through October 31, 2022, subject to audit.
  - c. Approve payment of all bills via Bill Lists #26 and 27, in the amount of \$24,205.96; ratify payment of all payrolls for 10-6-22 and 10-20-22, in the amount of \$168,889.70, which represents two (2) pay periods.
  - d. Raymond James Pension Account summary from August 31 to October 31, 2022.
  - e. 2023 Non-Uniformed MMO – \$8974.00
  - f. An executive session was held following the October 25, 2022 meeting. No action was taken at that meeting.

A motion was made by Kevin Baker and seconded by Eric Kreider to approve items a. through f. of the Consent Calendar as presented. All members present voted in favor of the motion.

5. Old Business:
  - a. 2023 Budget – Doug Hottenstein stated that he had issues with approving a budget without knowing the resolution of the Police Contract. Dave Sweigart said that he supported Mr. Hottenstein’s viewpoint. Mr. Hershey said that the department can continue to operate since the municipalities have a dollar amount as far as the police services are concerned. Bill paying can continue to be approved monthly as needed. Mr. Hottenstein questioned whether or not the two townships should continue paying the 2022 amount. Mr. Hershey responded they should continue using the number included in the draft budget. If adjustments are needed after a budget is passed they can be done later in the year. There was no motion concerning approval of the 2023 budget.
  - b. The Traffic Logix sign arrived and will be installed after the winter.
  - c. The Chief will not be available for a 12/28 meeting. If a meeting is necessary, it will be held on December 20, 2022.
6. Advisements
  - a. A total of \$904 was raised and donated to the Suzanne H. Arnold Center for Breast Health from the Department’s participation in the October Pink Patch Program.
  - b. Drug Take Back was held on October 29. Over 40 pounds of prescription medication was collected and turned over to the DEA for disposal.
  - c. No Shave November/Beards for Brothers collected approximately \$1000 from our Department. Retired Officer Bryan Ressler, who was diagnosed with prostate cancer, was among one of the recipients of these funds.
  - d. Over 1000 glow necklaces were handed out by NWRPD patrol officers working on Trick or Treat Night, October 31.
  - e. Cram A Cruiser event was held on November 19<sup>th</sup>. 12 shopping carts full of food were collected. Food donations were gathered by NWRPD and donated to the local food bank on Washington Street in E-town.
  - f. Officer Chris Good attended a two-day class entitled Enforcement of PA Inspection Regulations at PSP.

7. Correspondence:

- a. Calls for Service - October 2022
- b. Police Activity Report – October 2022
- c. Overtime Report – October 2022
- d. Police Cruiser Mileage Chart – October 2022

8. Other Business:

Marc Hershey informed the Commission that Conrad Siegal has determined that the pensioners will be receiving a 7.7% increase in 2023.

Chief Mayberry advised the Commission that Car 6 which was damaged in a collision in Elizabethtown Borough is repairable at a cost of \$12,259. It is at G and G Body Shop awaiting repair. Car 14, the Department's newest SUV was involved in an accident where a deer ran into the side of it. The damage to that vehicle is \$3100 and it is still drivable. It will be on the road until it can be repaired. The K9 vehicle arrived today and it will be outfitted by 10-8 in New Holland after it gets the decals at Wolfpack. The Ford that we ordered in March of 2022 should be built in January of 2023.

The next regularly scheduled meeting of the Northwest Regional Lancaster County Police Commission will be held on December 20, 2022 beginning at 7:00 p.m. at the Mount Joy Township Municipal Complex, 8853 Elizabethtown Road, Elizabethtown, PA 17022.

A motion was made by Doug Hottenstein, seconded by David W. Sweigart III to adjourn the meeting at 7:18 p.m. All those present voted in favor of the motion.

Respectfully submitted,

Lisa S Heilner  
Assistant Treasurer/Secretary  
Northwest Regional Police Commission

Thursday, January 5, 2023

**RE: Sewage Enforcement Officer (SEO) Report for November - December '22 (11/1/22 – 12/31/22)**

Dear Supervisors,

Attached is the written SEO Report for November thru December 2022. This executive summary describes the general activities for the month. The report includes attachments summarizing the permits, sewage planning and active regulatory malfunctions to date. If you need any additional information on the activities included in the report or attachments, it can be provided. The information and attachments included in this month's report include the following:

- Executive Summary (included in the text of this report).
- Attachment 1 – Open Permit Spreadsheet (planning activity is included in this report).
- Attachment 2 – Closed Permit Spreadsheet (2020).

**Executive Summary of SEO duties (Details can be provided upon request)**

- ***Permits*** (Attachments 1 & 2 – Open & Closed Permit Spreadsheets)
  - These reports are included to fully inform the board of a resident's progress regarding the process of permitting and/or sewage planning. Attachment 1 is a tally of all open projects and Attachment 2 is a tally that only includes the closed projects for the current calendar year.
- ***Administrative***
  - Updated Permits and Planning Spreadsheets to actively monitor, report, and follow-up on all active projects.
  - Tracking all billable time and duties on DEP SEO Time & Activity Report to facilitate DEP reimbursement.
  - Handling all Township SEO invoices to residents and payment processing.

I am striving to serve the Township and its residents while maintaining a good working relationship with PA DEP. Please feel free to contact me at any time with any questions, comments, or concerns; my cell phone number is (717) 989-8439.

Respectfully,  
Spencer SEO Services, LLC.  
Mount Joy Township Sewage Enforcement Officer

Len Spencer, SEO

### Executive Summary

- MSL did not hold a Board Meeting in December
- On November 7<sup>th</sup> a great group of MSL volunteers turned out for our Fall Cleanup. Weeding, trimming, planting, raking...they did it all!
- On November 8<sup>th</sup> MSL served as a polling place. Friends Group raised money for the library by selling many treats, from pies to breads to chocolate candies. These goodies didn't last long!
- On November 10<sup>th</sup>, MSL honored veterans with a display of Honor Cards. Library was closed on November 11<sup>th</sup>, Veteran's Day.
- ExtraGive on November 18<sup>th</sup> was a big success. While overall donations to ExtraGive we down, donations to MSL remained strong. Our community comes through again!
- Library was closed early November 23<sup>rd</sup> and was closed all day the 24<sup>th</sup> for Thanksgiving
- Santa Visit on November 26, made possible by the Mount Joy Chamber of Commerce and Lanco Federal Credit Union, brought the community out in big numbers.

- Miss Jan, with help from the Donegal Junior High Builders Club, held the Charlie Brown Thanksgiving program.
- Library began collection donations for Mount Joy Food Bank and the DSAA of Mount Joy.
- GCM continued with construction of the “Big Flower Box” on the library stairs

***VOLUNTEERS!***

Volunteer	Month Total	2022 YTD Totals		
Volunteer Hours	117.25	941.25		

**Joseph**

- Attended MSL Building Committee on Nov 1
- Attended Mount Joy Borough Council meeting on Nov 7
- Attended MSL Friends Group meeting on Nov 14
- Met with Isabella Thumma as part of her Job Shadowing project on Nov 29

**Community/Service Point (Susan)**

- Supervised passport agents in taking exams. All MSL passport agents passed passport exams. Everything was submitted to the State Department and we’re good to go for 2023
- Took over Kim’s monthly Bingo and called numbers for 7 attendees
- Met with one new volunteer and made plans for training when she returns from vacation
- Processed many new items purchased for our collection
- Set up the “Community Giving Tree”

**Youth Services (Jan)**

- My Storytime numbers are about back to preCOVID levels. I was especially thrilled to have 73 attend my special Thanksgiving Storytime.
- Last month, I was approached by the PA Migrant Education Program at Millersville University and asked to do a 6-week storytime for preschool children of migrant workers. The first 2 have gone nicely with 6 and 7 children and a few parents, besides the folks from Millersville. We’ll do 2 sessions in December and 2 in January.
- Read to the first-grade classes at Donegal Primary School. It was nice to get back into the swing of things with the school district.
- We sent out 62 book bundles this month: one of the highest ever!
- Started a 6-week conversational Spanish class for homeschoolers. There are 16 enrolled for this class which ends in December.
- Thelma and Remy began this month with one reader. They’ve never done this before, so we’re starting small with just one reader. We will expand as they get more comfortable.
- Our “Fall into Reading” Challenge ended this month. We gave out 394 papers and 164 returned (a 42% return). The raffle baskets were a big hit as were the books which each child received.
- “A Charlie Brown Thanksgiving” program was reinstated this year. We made paper footballs and enjoyed the “meal” (jellybeans, toast, pretzels, popcorn and ice cream) while we watched the movie.
- I was thrilled to have 193 folks attend the first visit from the Mount Joy Chamber of Commerce’s Santa Claus Visit on November 26. It was a joyful occasion.

**Public Relations/Promotions (Kirstin)**

- CONSTANT CONTACT:

- Dec 2022 Enews: sent to 3264 contacts, 1322 opens (43%), 63 clicks (2.1%), 2 unsubscribe
- **SOCIAL MEDIA:**
  - Facebook – Total Page Followers 2,396 (14 new); 9,749 reached; 4,221 engagements; Posted 132 Stories; Created 4 Events. Most popular post – Dutch Country Pretzels coming 1.6K reach and 38 engagements and Santa coming 1.4K reach and 25 engagements
  - Instagram – 957 followers (17 new)
  - Created/posted fliers for special programs
- **2 PRESS RELEASES** - Distributed via news media, municipalities, and Chamber of Commerce.
- **WEBSITE**
  - 3,728 website entrances; 7,236 page views
  - These are the highest view counts: 971 page views of calendar; 222 Passports
  - Created 1 new banners for the home page
  - Updated programs for December.

### **Volunteers/Programming/Fundraising (Kim)**

- **Annual Patron Appeal 2022**
  - As of November 30: \$36,851.38
- **Legacy Bricks**
  - Bricks ordered as of November 30: 66 of 392. We're at 17%!
  - Promoting the bricks as an excellent holiday gift.
- **ExtraOrdinary Give: Friday, November 18, 2022**
  - Final total: \$17,580.00!
  - Excellent number, especially when compared with the huge drop in the overall numbers county-wide.
  - Thank you cards went out within 5 days of the event.
- **Adult Programs**
  - Continuing to get better attendance with each program, especially with the Senior population.
  - Working on 2023 programs.
- **Honor a Veteran passive program.**
  - 53 veterans were honored.
- **Volunteers**
  - Includes 50 hours of volunteer (free) labor preparing and sprucing up the grounds for winter.
  - Sent Thanksgiving cards to volunteers this year, rather than Christmas cards. Thank you, Board Members, for your service to the library!
- **Fundraising 2023**
  - Am working on the 2023 Fundraising calendar.
  - Suggest moving the Annual Patron Appeal to March / April, rather than February. That would distribute our Big 3 "Asks" more evenly throughout the year.
  - Considering bringing back some previous smaller fundraisers.
  - Looking for a much bigger ROI of employee hours than is provided by the auction!

Station	EMS	FIRE	
<b>AVERAGE FOR ALL CALLS</b>			
AGENCY		AVERAGE TIME ON SCENE (MM:SS)	
Mastersonville Fire Company		66:38	

Only Reviewed Incidents included. EMS for Incident counts includes only 300 to 399 Incident Types. All other incident types are counted as FIRE. CO Checks only includes Incident Types: 424, 736 and 734. # Apparatus Transports = # of incidents where apparatus transported. # Patient Transports = All patients transported by EMS. # Patient Contacts = # of PCR contacted by apparatus. This report now returns both NEMSIS 2 & 3 data as appropriate. For overlapping calls that span over multiple days, total per month will not equal Total count for year.
